The Cambridge Strategy Selected as a Launch Manager on the Morgan Stanley FX Gateway Platform

The Cambridge Strategy, a leading boutique asset management firm offering active currency alpha, emerging markets macro, emerging markets equity and currency overlay programmes, is pleased to announce that it has been selected as a launch manager on the recently launched Morgan Stanley FX Gateway platform.

The Morgan Stanley FX Gateway is a new multi manager platform designed to provide investors with exposure to high quality currency managers. In turn, the platform provides currency managers with a broader investor base.

Commenting on the launch, Martine Bond, Managing Director & COO of FX and Emerging markets at Morgan Stanley said "We are delighted that The Cambridge Strategy have decided to participate as one of the launch managers on the FX Gateway platform. This platform will provide investors with access to the manager's proven expertise in currency investing."
